Seamans-Kruse Scholarship Application

This scholarship was made possible by the generosity of SAS alumnus Scott Seamans (Fall 1978) and the Anthony H. Kruse Foundation in Boulder Colorado. This partnership celebrates our shared mission to encourage young people to reach their highest potential, to create in them the courage to “embrace risk and change” on their way to becoming future global leaders, and to ensure that the voyage is accessible to all students regardless of financial limitations. Recipients of the Seamans-Kruse scholarship will be expected to embody the spirit of the Semester at Sea mission and maintain the highest standards of conduct and academic participation.
