About Turks and Caicos

The Turks and Caicos Islands are world-renowned for their white sand beaches, pristine diving conditions, and stunning marine habitat. These legendarily friendly isles boast one of the world's longest coral reefs and offer a bounty of land and sea activities that lure visitors. Known as the Caribbean's best-kept secret, Grand Turk offers a glimpse into Caribbean history and is also home to a new cruise ship center.

The Alumni Reunion Voyage will offer a variety of exciting Field Programs while in Turks & Caicos (*watch our website*).

Travel Arrangements

The ship will be departing from Miami, Florida on Friday, January 9, 2009 at 5:00 pm, and boarding will be from 1:00 – 3:00 pm. The ship will return to Miami, Florida on Tuesday, January 13, 2009 at 8:00 am. Due to the large number of people disembarking at once, customs and homeland security, we encourage you to book your return flight for 2:00 p.m. or later on Tuesday.
