

SOUTHAMPTON (LONDON), ENGLAND

Arrive: 0800 Wednesday, 5 September
Onboard: 1800 Saturday, 8 September

Brief Overview: London, England is Europe's melting pot. Situated on the **River Thames** and sprawling for approximately 600 square miles, it is home to more than nine million people. Perhaps the most famous resident is Queen Elizabeth II whose official residence is **Buckingham Palace**. The nearby **Kensington Palace**, home of Prince William and Kate, also provides visitors with a glimpse into royal life. **Westminster Abbey** has been the official site for Royal coronations, weddings and state funerals for centuries. **The Tower of London** (former prison and current home of the crown jewels) and the **Palace of Westminster** (home of the Houses of Parliament) line the Thames and can be viewed from the **London Eye** or a cruise along the river. The palace's clock tower, often called Big Ben, is the symbol of London 2012 Olympic Games. We will be in London for the Paralympics, which are held immediately following the Olympic Games. For ticket information go to <https://paralympics.cosport.com>

Out of town: The city of **Winchester**, about 45 minutes from Southampton, is home to Winchester Cathedral. Built in 1079, it is the longest cathedral in Europe. The university town of **Oxford** is rich with ties to children's literature including the Eagle and Child Pub, a venue for literary meetings attended by C.S. Lewis and J.R.R. Tolkien. To go way back in time, you may wish to visit the pre-historic monument of **Stonehenge** or the Roman spa town of **Bath**.

Add On Trips: If you travel to London on your own, you may "add on" to one of our planned activities. You will need to meet the group at a designated location in London to join the tour.
