Welcome to Transcript Ordering!

Do you have a document to include with your official transcript? Using this transcript ordering system, you may attach one document to be delivered with your official transcript. The Office of the University Registrar (UREG) will review the document and determine if it is appropriate to be sent by the University on behalf of the student. If UREG does not validate the document it will not be sent with the transcript order. Some examples of a valid document are:

- Admission Application forms (such as Law, Nursing, Medical, Graduate School)
- Scholarship Application forms

Order status updates will be emailed to you along with text messages if you desire. You may also track your transcript order online.

Transcripts can be ordered online using any major credit card (if a cost is involved). Your credit card will be charged when your school sends your transcript(s). Order updates will be emailed to you along with text messages if you desire. You may also track your transcript order online.

The following may be required to order a transcript online:
